They will be worn by La Terry (Terry) and the FEF's national women's and youth teams until the end of qualifying for the 2022 FIFA World Cup. The ribbed texture of its blue sleeves represents the hydrography of the South American country. The v-shaped collar of the kit is the red and blue color of the Ecuadorian national flag. Ecuador's Grey Green And Neon Way 2020/21 Round Marathon Jersey is intended to reinvent the team's alternative look in an innovative manner. Progressive design is in line with fef evolution and its new visual identity. It also lends itself well to the full spectrum of casual training and wear that marathons have released along with ecuador's new kits. Ecuador's 2020/21 Home Marathon and Away will be available at the World Football Store, England Football Store, Lovell Football, Pro:Direct Football and Kitbag.
